FLAT TOP SIDE GATE

All gates are individually produced to suit the individual requirements of the customer and property. Choices of width, height, and finials.

Gates can be supplied for manual or automated operation. You may visit our showroom, or we will be happy to visit your home, without any obligation.

If you have any questions, do not hesitate to contact us for friendly, expert advice.

All gates are pre-treated, then given a durable baked on polyester top coat. If required finials can be highlighted in gold paint.
